

Sheriff Instructions
(1 person 9:30 – 4pm)

Thanks for helping out at the Cherry Pie Road Race!!

Location: Please arrive at the Valley Catering building, in Adair Village, at 9:30. Here you will receive a map, instructions and a FRS radio that should be tuned to channel 3-15. CPRR has two sessions, the first starting at 10:00am and the second starting at 12:30 pm. The entire race should be over by 4pm.

We would like to have you patrol four main corners of the race. These corners are marked as B,C,J, and L on the course map. All of these corners will have trained flaggers that will stop traffic to ensure the safety of the racers and motorists.

Corner B is only in use at the beginning of the race. Once the race has passed this corner it will not return until the second session begins. The second session will only pass through this corner as the racers head out onto the course.

Corner C will is only used during the second session of the race. The flaggers will stop traffic in both directions and the racers will race through the stop sign.

Corner J in a crucial corner because the race will turn across both lanes. At this corner the flaggers will stop traffic in both directions and the racers will race through the stop sign, making a left hand turn across traffic.

Corner L is in a residential area. Last year the flaggers at this corner had some difficulty with a local resident.
