General Information - This year's TTT champs will NOT include FIAC status. Masters age is 40+. Any group with Masters age designation requires all members to be 40+. Teams may start with 3 or 4 riders.

Course Description - The course is the same ~7 mi loop. Each team will complete just under 4 laps (~27.3 mi). Good chip seal surface. This is NOT a closed course and you only have one lane.

Parking-Please park as directed by the signs/volunteers. The owner of the seed warehouse graciously allows us to use their property for this great event. Please respect the property and the local traffic.

Prizes and Awards

- OBRA will be providing medals and State Champ clothing for purchase by winners. (OBRA annuals, only.)
- Awards will be presented at the end of the last race near the registration area.
- You may only get awards for the field in which you register. If you want to contest more than one field, you need to race more than once.

Special Information

- Pin your OBRA number along your right side.
- If you wear a jacket, wear a clear one. Mesh vest over your number makes it difficult to read.
- Centerline rule will be enforced. Traffic will be controlled, but keep your head up at all times, especially around corners.
- Overtaking groups should call out and pass on the left while riding single file. Teams being overtaken should ride single file to the right side if the road.
- Third rider across the line stops the clock.
- Once you finish, be aware there are other teams that may be continuing on at full speed for more laps. Look back before you slow down and turn left to head back to the car.
- Do not warm up on the course.
